Commissioner for Patents

***Response to Status Inquiry***

This communication is in response to the Status Inquiry received 11/08/04.

The Application has been held in scanning because the Patent Office is in the process of converting to electronic applications. The scanning process takes a few months and as soon as the application comes up on the Examiner's docket the application is acted on. In this instance, the application will be processed when it is on the Examiner's docket for that particular bi-week.

An estimated guess at the length of time is approximately three months. As a suggestion, in order to expedite the process, Applicants' are hereby advised to submit an official supplemental response to this communication.

***Inquiries***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ella Colbert whose telephone number is 703-308-7064. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vincent Millin can be reached on 703-308-1038. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 3624

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
